Engineer

Scott Hammerschmith
Tank Manufacturer

Trent Clinkscapes
Septic Tank Pumper

Brannon Lamp, REHS
Environmental Health
Specialist

Mike Hamer
Industry at Large

Dear Members of O2WA,

I want to thank Scott Davis for leading the way this last year as President. I am very excited about continuing with the great work that our leaders have accomplished and the ideas that everyone has for expanding in a new direction.

Just to let you know O2WA has become more involved with our community and current legislation that will directly affect our industry. Members of the O2WA have supported Senate Bill 83 and 707 with both written and verbal testimony, and we will be giving written testimony on the DEQ's 2011 policy package. In June of this year we will be having a planning meeting, and cordially invite members who want to become involved in our new agenda to join us. The date, time and place of the planning meeting will be set at our regular meeting this month and a notice will be sent out to members.

All in all I felt our conference went well this year, the speakers were good, the fishing trips and guns went well at the auction and raffle, the rodeo was blast, and the dinner with its cowboy theme was fun. The 2012 conference will take place in Seaside, the theme will be a Luau, the raffle will change some, we will be having bigger raffle items and maybe one or two of us regulators will take a shot at the rodeo.

Again, I am so excited to be your president, thank-you for the opportunity.

Sincerely,

A handwritten signature in cursive script that reads "Kimberlee Aldrich".

Kimberlee Aldrich WWS
O2WA President
